**ORCHIDS**

THE BUYER AND SELLER AGREE THAT THE SELLER GIVES NO WARRANTY, EXPRESS OR IMPLIED, AS TO THE PRODUCTIVENESS OF THE STOCK HEREBY OFFERED, AND ITS RETENTION FOR TEN DAYS AFTER RECEIPT BY THE BUYER WITHOUT COMPLAINT IN WRITING, CONSTITUTES A DEFINITE ACCEPTANCE THEREOF BY THE BUYER. OUR LIABILITY IN ALL INSTANCES IS LIMITED TO THE PURCHASE PRICE. ALL STOCK IS OFFERED SUBJECT TO ANY AND ALL CONDITIONS BEYOND OUR CONTROL.

**FLANDRIA**

The name "FLANDRIA" has definitely established itself as a standard of quality in orchid circles. The quality of their plants is well known, but beyond that their selection of orders as placed by you, their careful attention to packing, their strict regard for the prospective orchid buyer's instructions as to shipment, and their prompt action in responding to inquiries in connection with orchid sales, all have encouraged letters of thanks to this office. We are proud that we are their exclusive American representatives.

We would like to supply everyone's needs in white varieties but, as has been Flandria's policy for practical business reasons due to limited supply, orders for whites must be accompanied with purchases of other varieties.

To further serve you, this organization has established a more complete orchid department to make available to you American grown orchid plants. These plants are first inspected by our representative and only listed for your approval if stock can measure up to our high standards of quality.

The offerings enclosed give complete information covering the background and terms of sale.

We suggest you go over these listings carefully. Perhaps just the crosses you need to round out your collection are among those listed.

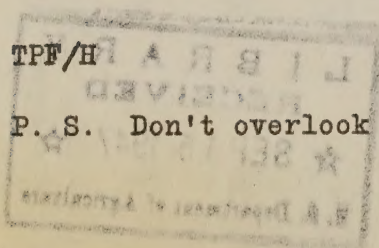

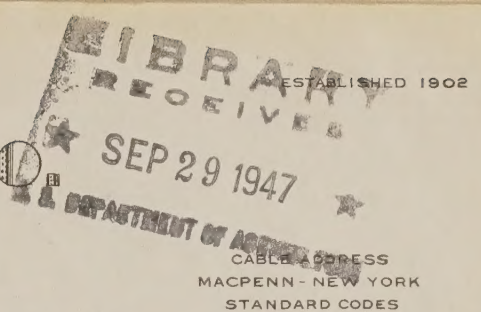

The orchid shipping period for the Fall season 1947 is now approaching, so we suggest prompt action to facilitate plant shipment in due season.

Yours very truly,

McHUTCHISON &amp; CO.
